

**Storage Information:**

Keep out of reach of children. Not advised for use by women who are pregnant or breastfeeding.

**How to dispose of product:**

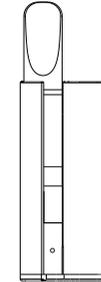

Please dispose of used cartridges in an environmentally responsible way. Because the atomizer contains small parts, please keep away from children and pets. If oil comes in contact with eyes or skin, wash immediately.

## GANESH VAPES

EXPERIENCE BETTER

This product is not intended for use by anyone under the age of 21, pregnant or lactating women, or those experiencing poor health.  
For the best possible vaping experience, please read the entire product manual carefully before you begin using the product.

**Instructions for use:**

1. Fit the magnetic ring onto the thread at the bottom of the cartridge. Then insert the cartridge into the battery as shown.

**Description:**

1. Size: 13.5 x 28 x 56.8 mm
2. Weight: 35.2g
3. Battery Capacity: 380 mAh
4. Use by inhaling directly.
5. Output Voltage: 3.7V
6. Compatible Cartridge: Outer Diameter of <11.0mm and with 510 threading.
7. Cartridge Resistance: 1.0-3.0 ohm
8. Charging: Via Micro USB. When the battery is fully charged, the LED light will turn off automatically.

**Instructions:**

1. Fit the cartridge onto the magnetic adapter.
2. Insert the cartridge and adapter into the battery to vape.

**Reminders:**

1. Vaping for an extended period of time will cause the battery to heat up. Please use it at appropriate intervals.
2. Please charge the battery when the power is low for optimal vaping.
3. Please keep track of your magnetic adapter to avoid loss.

**Warnings and Precautions:**

Please ensure that this product is kept away from children and pets.  
This product is not intended for use by anyone under 21 years old, or by pregnant and lactating women, or individuals of poor health.  
Please seek medical help if any adverse physical reactions occur.
